

致人事單位及管理層

我是一名致力於語言教學與研究的專業教師，擁有豐富的中英文教學經驗。於 2023 年獲國立中央大學英美語文學系學士和華語文教學課程證後，於 2024 年於英國愛丁堡大學完成了應用語言學碩士學位。我研究專注於語料庫語言學、社會語言學及二語習得等領域，有研討會發表及期刊投稿經驗。除教學專長，我亦參與許多研究項目，今年於中央大學摸索英文為授課語言 (EMI) 和問題導向學習 (PBL) 的互動結合。

在過去的幾年中，我曾任教於多所公私家機構，包括中央大學語言中心、文學院、理學院等以及坊間升學型補教機構。教授的對象從國中生到成人學習者不等，內容涵蓋基礎語法、學術寫作(如高中學測)及證照考試(如多益、雅斯)等。教學方面我側重互動，通過自編教材以及各大出版社(Pearson、MacMillan)語言教材提升學生語言表達及自信。

我希望將最適合學生的語言學理論與教學方法結合，為學生提供高效且有趣的學習體驗。貴公司提供的職位符合我生涯規劃以及學術專業能力，而我也相信我不會辜負貴公司的期待，並為您公司帶來更多價值。

To whom it may concern:

I am a professional teacher dedicated to language teaching and research, with extensive experience in Chinese and English teaching. After obtaining a bachelor's degree in English Literature and a certificate in Teaching Chinese Language as a Second Language (TCSL) from National Central University in 2023, I completed my master's degree in Applied Linguistics at the University of Edinburgh in 2024. My research focuses on corpus linguistics, sociolinguistics, and second language acquisition, with experience in conference presentations and academic publication.

In addition to my teaching expertise, I have participated in numerous research projects, and this year at National Central University, I explored the integration of English as a Medium of Instruction (EMI) and Problem-Based Learning (PBL).

Over the past few years, I have taught at various public and private institutions, including the Language Center, College of Humanities, and College of Sciences at National Central University, as well as private education institutions. My students range from middle school students to adult learners, covering topics such as basic grammar, academic writing (e.g., high school entrance exams), and certification exams (e.g., TOEIC, IELTS). In my teaching, I emphasize interaction, enhancing students' language expression and confidence through self-compiled materials and language textbooks from major publishers (Pearson, Macmillan).

I aim to combine the most suitable linguistic theories and teaching methods for students, providing an efficient and enjoyable learning experience. The position offered by your company aligns with my career plans and academic expertise, and given the chance to serve in your organization, I believe that I will not disappoint your company's expectations. Thanks for reading this letter and I hope to hear from you soon.
